Anthropology 1120 – Winter 2009
Brody Discussion Group Questions

Names of Discussion Participants:

1. Rank in importance the main sources of Beaver livelihood.

2. What features of the Beaver's environment are, for them, the least predictable and most difficult to manage?

3. Brody suggests that Beaver society will survive. How does he make this argument?

4. What is/are the basis of Beaver concerns about Treaty 8? Consider Brody and the film.
