Anthropology 2240 – Discussion #2
Personal Worksheet
For October 6, 2010

Please prepare point form or written statements in response to the two questions that follow. They will be collected at the beginning of the discussion group session on October 6. If your answers are submitted on-time and show some effort, and you stay for the discussion, you will receive 1 point towards your participation grade.

1. Herdt draws connections between Sambia culture in general and its sexual culture. What are those connections?

2. What common explanations for a taboo against incest have you heard? Note at least three.
