

Anthropology 2240 – Discussion #4
Personal Worksheet
November 20, 2006

Please prepare point form or written statements in response to the two questions that follow. The sheets will be collected at the beginning of the discussion group session on November 20.

1. What social factors affect the political status or standing of women?

2. Are societies that recognize women's political roles or power more equal, socially or in terms of gender?
