

**Anthropology 1120**  
**Discussion Group Questions for Week 13**

1. Why was the province of British Columbia not interested in making treaties before 1990?  
Or, if you would prefer, why are there so few treaties in British Columbia today?

2. What are the two 'stories' of British Columbia described by Cole Harris? What two options for dealing with the native land question come out of these stories?

3. Summarize the advances made in settling aboriginal rights and title in British Columbia in the following cases: *Calder*, *Sparrow*, and *Delgamuukw*.

4. As scholarly disciplines, are anthropology and archaeology relevant to BC First Nations today?
